#### WuXi Biologics (2269 HK)

|                    |                     |
|--------------------|---------------------|
| Last price:        | HK\$57.90           |
| Support levels:    | HK\$55.40/HK\$53.85 |
| Resistance levels: | HK\$62.75/HK\$67.75 |

Price executed a successful retest and structural defense along its resistance-turned-support zone. The RSI remains firmly established in strong, bullish territory and continues to slope upward, confirming sustained trend velocity. As long as price strictly defends this converted demand anchor, we see continued upward expansion towards higher supply targets.

**Average timeframe: Around two weeks.**

#### Akeso (9926 HK)

|                    |                       |
|--------------------|-----------------------|
| Last price:        | HK\$110.60            |
| Support levels:    | HK\$103.80/HK\$99.10  |
| Resistance levels: | HK\$129.00/HK\$141.00 |

Price broke out from its sideways consolidation range, subsequently completing a successful retest and structural defense along the breakout pivot. The RSI remains firmly established in bullish territory and continues to slope upward, confirming sustained trend velocity. As long as price strictly defends this converted demand anchor, we could expect continued upward expansion towards higher supply targets.

**Average timeframe: Around two weeks.**
